PRINCIPAL'S WELCOME

'There is an opportunity for every student to be successful at Beenleigh State High School.'

We provide a supportive and engaging learning environment that advances our students' academic progress and supports their developing social and emotional needs. This is realised and promoted through strong classroom expectations, tailored learning environments and focused pedagogical practices.

Our school provides a continually updated, technology-rich environment that draws upon current industry and educational standards to ensure our students' futures are as successful as possible. We boast a range of programs that cater for a variety of student needs and interests including programs of excellence, academy classes and a multitude of extra-curricular activities.

We take pride in providing a large range of student services that have proven to enrich and improve student achievement and educational engagement. We have a strong history of connecting students with traineeships and apprenticeships and easing the pathway into the workforce through pathways and community partnerships. We also take pride in providing specific resources to ensure that student social and emotional welfare is being supported and developed. '

Beenleigh State High School boasts a unique and vibrant Agricultural program, Rugby League and Music Academies, a state-of-the-art Hospitality sector and a burgeoning Design and Technology (STEAM) program. The school has a very supportive and active Aboriginal and Torres Strait Islander unit called Mibunn Jinndi and also a strong culture group; both the groups participate in performances throughout the school year and within the community.

School Arrival and Departure

Before School

- When your child is absent, please contact the **Student Absence Line** on (07) 3442 3760 or email absent@beenleighshs.eq.edu.au before 9.00am on the day of absence.
- School starts at 8.45am
- Students are to promptly head to their Care class when the bell rings

Arriving Late

- If a student arrives after 9.00am, they are to sign in at the Student Service Entry (Late Arrivals & Early Departures) which is located at the front of the Admin Building across from the carpark.
- Students will be given a late slip to attend class
- Unexplained lateness will result in a Lunch One Detention

Leaving Early and Signing Out

- The Office must be notified before 11.00am of student/s early departure on (07) 3442 3750, email absent@beenleighshs.eq.edu.au or bring in a signed note to the Student Service Entry.
- Students are to present to the Student Service Entry before school or at first break to receive their leave request slip.
- Students are to show their subject teacher their leave request slip at the beginning of the lesson. Students will be released from class at the approved time once their slip has been sighted. Students are not to be directly contacted via mobile as this is a breach of the Mobile Device Policy mandated by the Queensland Government. The Office will arrange for students to come to the Office for early departure.
- When leaving school, present to the Student Service Entry with their leave request slip to be signed out by the Office staff. Students cannot leave school without signing out first.
- In case of Emergency, please notify the school before your arrival and the student can be collected from class asap to meet you to avoid wait times.

GETTING TO SCHOOL

Beenleigh State High School – Student Transport Guide

■ BUS TRAVEL & SUPERVISION

Students can catch a wide variety of local bus and coach services directly to and from the school grounds.

- **On-Site Bus Shelter:** Located safely inside the school gates, adjacent to the main bus bay.
- **Afternoon Supervision:** Staff members strictly supervise gate access to the bus bay every afternoon.
- **Restricted Bus Gates:** These gates are strictly reserved for students catching buses. **Pedestrian access is heavily restricted here.**
- **Walking Home?** Any student walking home must bypass the bus bay and leave exclusively via the front school gates

■ TRAIN TRAVEL & GATE ACCESS

Beenleigh SHS is situated approximately **500 metres** from the **Beenleigh Train Station**.

- **Recommended Route:** Students catching train services are advised to enter and leave the school grounds using the side school gates located on the train station side of the school.
- **Gate Opening Times:** To ensure security, these side gates are unlocked daily at approximately **7:30 AM** and unlocked in the afternoon at **2:45 PM**

WHAT MAKES OUR PROGRAM DIFFERENT?

The school provides a fully configured, managed and supported device with approved applications, security settings and technical assistance.

Students are ready to learn from day one.

A fully managed, supported and secure device so students are ready to learn from day one.

OWNERSHIP, SUPPORT & MORE

WHO OWNS THE iPad?

The school owns the device during the participation period (generally up to three years or until the student leaves the school).

The device remains subject to the program's management and conditions during this period.

WHAT HAPPENS AT THE END OF THE PROGRAM?

Once all required management fees have been paid

and program conditions have been met

ownership transfers to the student and family.

The iPad and included accessories then become the property of the student and family.

WHAT IF THE DEVICE IS DAMAGED, LOST OR STOLEN?

ACCIDENTAL DAMAGE

AppleCare+ is included for accidental damage (service fees may apply).

NEGLIGENCE OR INTENTIONAL DAMAGE

Repair or replacement costs may apply for negligence or intentional damage.

LOST OR STOLEN

Lost or stolen devices must be reported to the school immediately.

ACADEMIC EXCELLENCE

What's on offer?

The Academic Excellence program began in 2015 and involves high achieving students in years 7, 8 and 9 being enrolled in Academy classes in Mathematics, Science, English and Humanities. The goal of this program is to extend our top 10% of students and enable them to meet their potential and achieve at a high level.

Students participating in this program will:

- Be provided with differentiated learning tasks designed to extend high ability students
- Be invited to attend academic enrichment activities and excursions
- Have the opportunity to compete in competitions and challenge days.

Selection in this program is based on:

- Academic achievement in year 6, 7 and year 8 in the core subjects of Mathematics, Science, English and History/Geography.
- Achievement in diagnostic testing (NAPLAN & Literacy & Numeracy Test)
- Input from classroom teachers

It is expected that students who are participating in this program will:

- Maintain high standards of academic achievement and behaviour
- Participate in academic excellence activities
- Keep up to date in all classwork, assignment work and homework
- Challenge themselves to achieve their potential

The school is providing professional development for teachers on academy classes so they:

- Understand the attributes of gifted learners
- Are able to provide strategies to cater for gifted students
- Can design learning tasks and assessment items which extend high ability students

STEAM ACADEMY

What's on offer?

STEAM Academy for academic excellence extends student knowledge and achievement in the areas of science, technology, engineering, arts and mathematics.

In STEAM Academy we offer a broad range of interesting subjects and programs that are tailored to enhance and support the national curriculum's science and maths syllabuses through practical application and experimentation.

STEAM Academy places a high emphasis on learning concepts through hands on experimentation, where our science, arts and technology classes are rich in practical experiences with students learning concepts whilst gaining valuable skills.

In STEAM Academy:

- We cater for high achieving academic students
- We teach the 21st Century Skills students will need for the future
- Students will learn through the most up to date technology

Requirements

- ✓ STEAM Academy students will be selected through an application process. Applications will be reviewed on academic progress, NAPLAN, behaviour and effort as well as leadership and participation in extracurricular events.
- ✓ All students in the STEAM Academy MUST also be part of the school iPad program to ensure consistency and accessibility. Students will study all subjects as part of the STEAM Academy.

UNIFORM

A neat and tidy appearance shows pride in self and our school. We aim to provide excellent educational opportunities for all students in partnership with parents and we support their endeavours to make sure students are well dressed and presented in our uniform each day. Our Parents' & Citizens' Association (P&C) supports our Code of Dress, which aligns to the objectives of the Education (General Provisions) Act 2006. The school uniform is available to be purchased at school through **The School Locker** every Tuesday and Thursday from 7:30am-10:00am. The School Locker store is open 6 days a week at 3878 Pacific Highway, Loganholme. Our parent community is regularly consulted on school uniform matters through the P & C and the Beenleigh SHS Uniform policy and Dress code is reviewed annually.

There are numerous reasons for maintaining dress standards and promoting our school uniform which includes;

- To ensure student safety so that staff can identify enrolled students, staff and visitors within the school grounds
- To promote a positive image of the school within the Beenleigh community.
- To promote the link between dress standards, school discipline and a strong school culture.
- To nurture our school identity.
- To minimize the cost, to parents, of providing suitable clothes for school.
- To promote a fairness and equity for all students.

The formal school uniform is to be worn when representing the school in public such as excursions and community development activities unless stipulated.

Students may be excluded from certain school activities and external school- based activities:

1. If students wear clothing that does not align to the standards outlined in the uniform policy and has the potential to damage the reputation or image of the school across the broader community
2. If the health and safety of the student or other students, with regards to occupational health & safety legislation, would otherwise become compromised.

THE FOLLOWING CLOTHING IS NOT PERMITTED TO BE WORN (INCLUDING BUT NOT LIMITED TO):	JEWELLERY
• The grey shorts must be of dark grey colour, no pattern, no logo, motif or branded lettering • No fleece grey track shorts are permitted • No leggings or bike pants • No beanies/bandanas/hats other than school issue • No High-Top shoes or boots	We advise that jewellery should not be worn for reasons of: a. Safety (especially during sport, HPE and other practical subjects) and b. Value (loss or theft) Students choosing to wear jewellery for religious or personal reasons should ensure the item/s are unobtrusive

Non-compliance with this policy will be initially recorded as a dress code violation within the Beenleigh SHS Student code of conduct with ongoing infringements recorded as defiance and will be referred to the Deputy Principal for further school consequences.
